Dr. Madhukarrao Wasnik
PWS Arts & Commerce College
Kamptee Road, Nagpur-26

4.2.1: Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

The college central Library has a large premise spread over 5000 sq Ft. Area which is accommodating 51270 books and references, 28 Journals, Magzine, e-resources, and 6 News Papers etc. Besides it has reading room facility for more than 100 students, Higher Learning centre for more than 50 research scholars, Teachers reading space for more than 25 teachers, Network Resource Centre with 6 ICT enabled computer Sets.
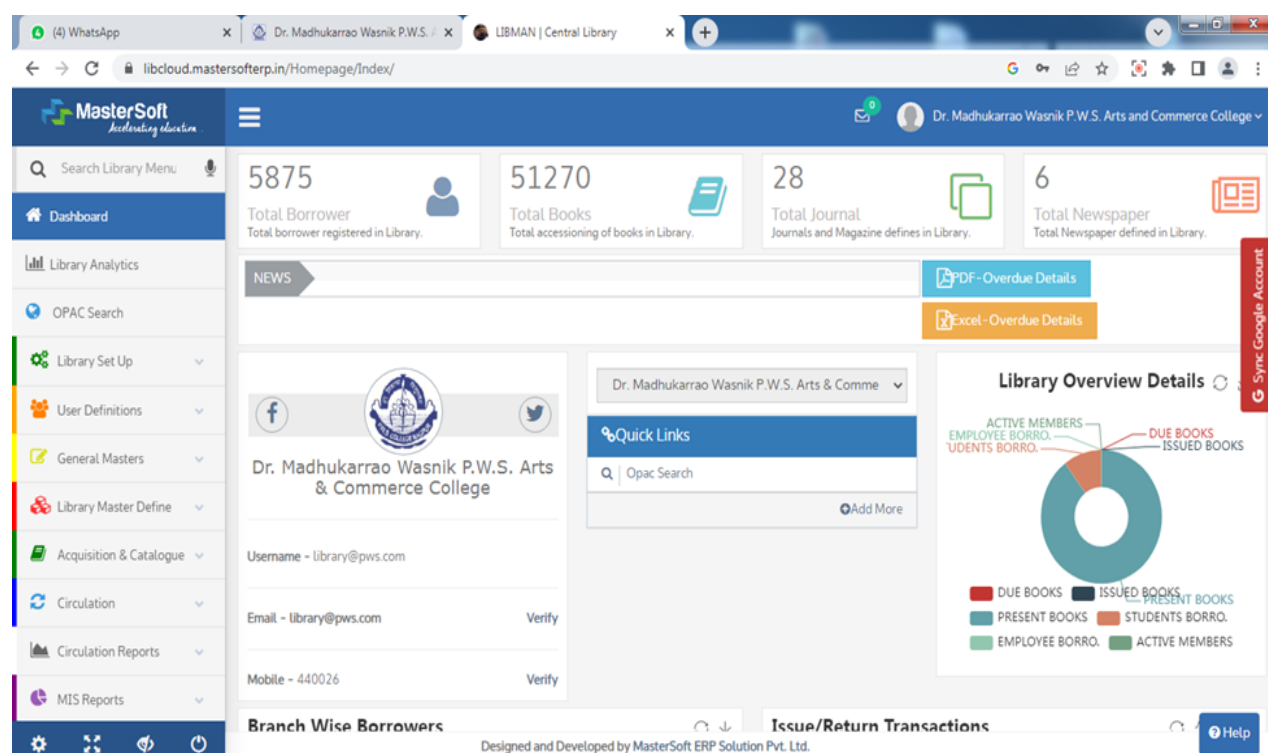

The college library is fully automated with barcode based issue and return. College Library has LIBMAN software to search college learning Resources & Mastersoft Cloud based software for automation. Students can access Library on their Phone with cloud based Library software.

Through Network Resource Centre students can explore e-resources and study material. College has subscribed INFLIBNET for its users.

Library Facilities:

http://www.pwscollege.edu.in/DisplayPage.aspx?page=ck&ItemID=33

https://libcloud.mastersofterp.in/Homepage/Index/

Number per day usage of library by teachers and students (foot falls and login data for online access) (Data for the latest completed academic year)

The footfalls in the library in the Post Covid19 is quite increasing. From session 2020-23 classes are happening regularly which were halted up to mid-session of 2021-22. Therefore, students reaches library for resources and for reading room access. The changed features in Library now, the attendance of students is recorded through QR code on smart Phones. The time spent by the students or staff members is recorded online. The Library management is trying to enhance the library attendance through different activates and engagement of students.

The college is providing course study material on the college website and upload Video tutorial regularly. Also students has smart phones through which they easily access the study material online. Therefore, most of the students get ready made resource that may be the reason why attendance is less than average.

Footfalls in Library:

Students:

Digital entry up to 25/30

Manual entry 35/40

Teachers:

Digital entry up to 10/15

Manual entry 10/15

Also to increase Library attendance and to act as a vibrant unit of the college, Library department in association with different departments of the college organise students orientation sessions for library resources so that students may know the subject based resources in the college. Students are made aware of Textbooks, references, subject related volumes of books, journals and magazines. Library also celebrate Ranganatha day the father of Library in India, APJ Abdul Kalam Day as "Vachan Prerana Day" (Day of reading Inspiration). Library also organised annual Book exibition of its valuable books, rare collections and new arrivals, Quiz contest and Essay contests for students.

College has subscribed INFLIBNET and all students and teachers are its user. Therefore, both students and teachers are exposed to digital world created by the Government of India.

Library also has Network Resource centre where students can access library resources and resources through INFLIBNET.

Librarian and faculties in the college orient students for DOAJ Open Access sites for free access to worldwide digitalized books.

Library has a OPAC system where students can get information of library resources. Since issue and return of books is digitized through bar code system, it consumes no time for students.

Library is fully automated so students can access library resources on their smart phones, therefore, it becomes easier to library user to get their required book in time.

Library has spacious Students reading sections where students can spend long hours for reading and their examination study. Library opens at 7.15 am so students can access reading room from morning till 5.00 pm. During examination library hours are usually increased up to 8.00 pm.

Library has subscribed e-journals and kept many journals information on Library system Library staff help students in accessing the e-resources through the Network resource centre which is opened for entire day and students can access it without any charges.
