

Dr. Madhukarrao Wasnik
PWS Arts & Commerce College
Kamptee Road, Nagpur-26

6.1.1: The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

Vision

The institute envisions moulding of students who have humanitarian views, scientific approaches and are firm believer in positive social change. Such inspired youth will uphold the human values of liberty, equality and fraternity, and also shoulder the responsibilities of taking their nations to greater heights

Mission

1. To give advanced but affordable education so that the poorest of poor student could avail it.
2. To promote marginalized students towards professional courses and all round development of personality.
3. To create environment of research through various training programmes, class assignments, workshops, seminars, and projects.
4. To undertake different educational programmes and projects jointly with other institutes for the benefit of students. Promote and stimulate students to become responsible citizen and entrepreneurs.

Aims and Objectives

1. To impart updated and socially relevant knowledge in various disciplines in Arts and Commerce.
2. To strive for total development of the personality and character of the students, enlisting constant co-operation of parents, guardians and responsible citizens in society.
3. To inculcate among the students a sense of discipline, social responsibility and love for national unity.
4. “One of the fundamental functions of the university is to provide facility for bringing the highest education to the doors of the needy and the poor”: Dr. B. R. Ambedkar. To provide all possible facilities for the moral development of the students.

5. “The secret of education lies in respecting the pupil”, Emerson. To take an all round interest in developing the talent of students respecting their potential for future flowering.
6. To make students aware of the National goals and aspirations. To work shoulder to shoulder with them to develop excellence in all fields of study and research.
7. To strive for the upliftment of the downtrodden and backward segments of society educationally and socially with particular emphasis on the area of Nagpur.

The Vision and mission of the institute statement defines the Institute's distinctive characteristics in terms of addressing the needs of the society, students, institute's value orientation, and vision for the future. The Vision and Mission of the institute are in tune with the objectives of higher education. The formal and informal arrangements in the institute to co-ordinate the academic and administrative planning and implementation reflects the institutions efforts in achieving its vision.

The Reflection of Vision and Mission into college Functioning:

A well-established dialogue between College Management, Principal and all stakeholder towards the achieving the goals set for the institutions. The action plan is discussed in the various meeting like Vikas Sammittee, Staff Council, IQAC and departmental level meeting for the quality enhancement of college higher education.

Interaction with Stakeholders is done through Alumni Association, parent Teacher association, various Study circles, etc.

A policies for the college education prepares in the various upper policy making bodies which are implemented by the principal. The college management provide essential support and teachers and supporting staff extended their cooperation in running particular activity. College management has a perspective plans which is revised time to time with the demand of the time. Need based courses are introduced and adequate infrastructure is built during the ongoing sessions. The college keep its more focus on the higher educational needs of students from economical weaker sections of society.

Process of Decentralization

Entire functioning of the college is majorly divided into two broad parts i.e. Policy framing Bodies and Implementation Units (Functional Bodies). Being a part of a certain unit, all the stakeholders of the college i.e. College Management, Principal, Teaching and Non-Teaching Staff, Alumni, Parents and Students fixed in a particular role depending on each other creating a check and balance situation over the others. Therefore, decentralization of power and work is happen automatically.

Policy Making Bodies:

1. College Management
2. College Development Committee (As per Government of Maharashtra Guidance)
3. IQAC

4. Staff Council (Sr. College)

College management is an entirely independent body run by trustees and founder members functions externally. It keeps watch on the functioning of the college. College Development Committee is headed by Chairman of the College and Principal of the college is the Secretary. This apex body takes decision from college development to all the issues related the better functioning of the college. In IQAC, members monitor the quality of academic standard and take decisions related the policies for quality measures in the college. IQAC implemented various policies and quality initiatives through various committees like, Feedback committee, Grievance Cell, Library Committee, Research Cell, Women's Cell, Employment and Placement, Guidance cell, Academic Counselling Cell, Alumni Association, etc. The fourth Policy making body is Staff Council where Principal is chairperson and a senior teachers acts as a secretary. It works through various committees like NSS, Examination Cell, UGC committee, Women's and Anti-Harassment Cell, Anti Ragging, etc. Staff council also focuses upon the issues of the teachers and appropriate decisions are taken which are either solved by the principal or later taken into College Development Committee. Staff Council meet organize twice a year at least where majority of decisions are taken related to the teaching Learning process in the college. Teachers who achieved during the sessions are felicitated and acknowledged.

Implementation Units (Functional):

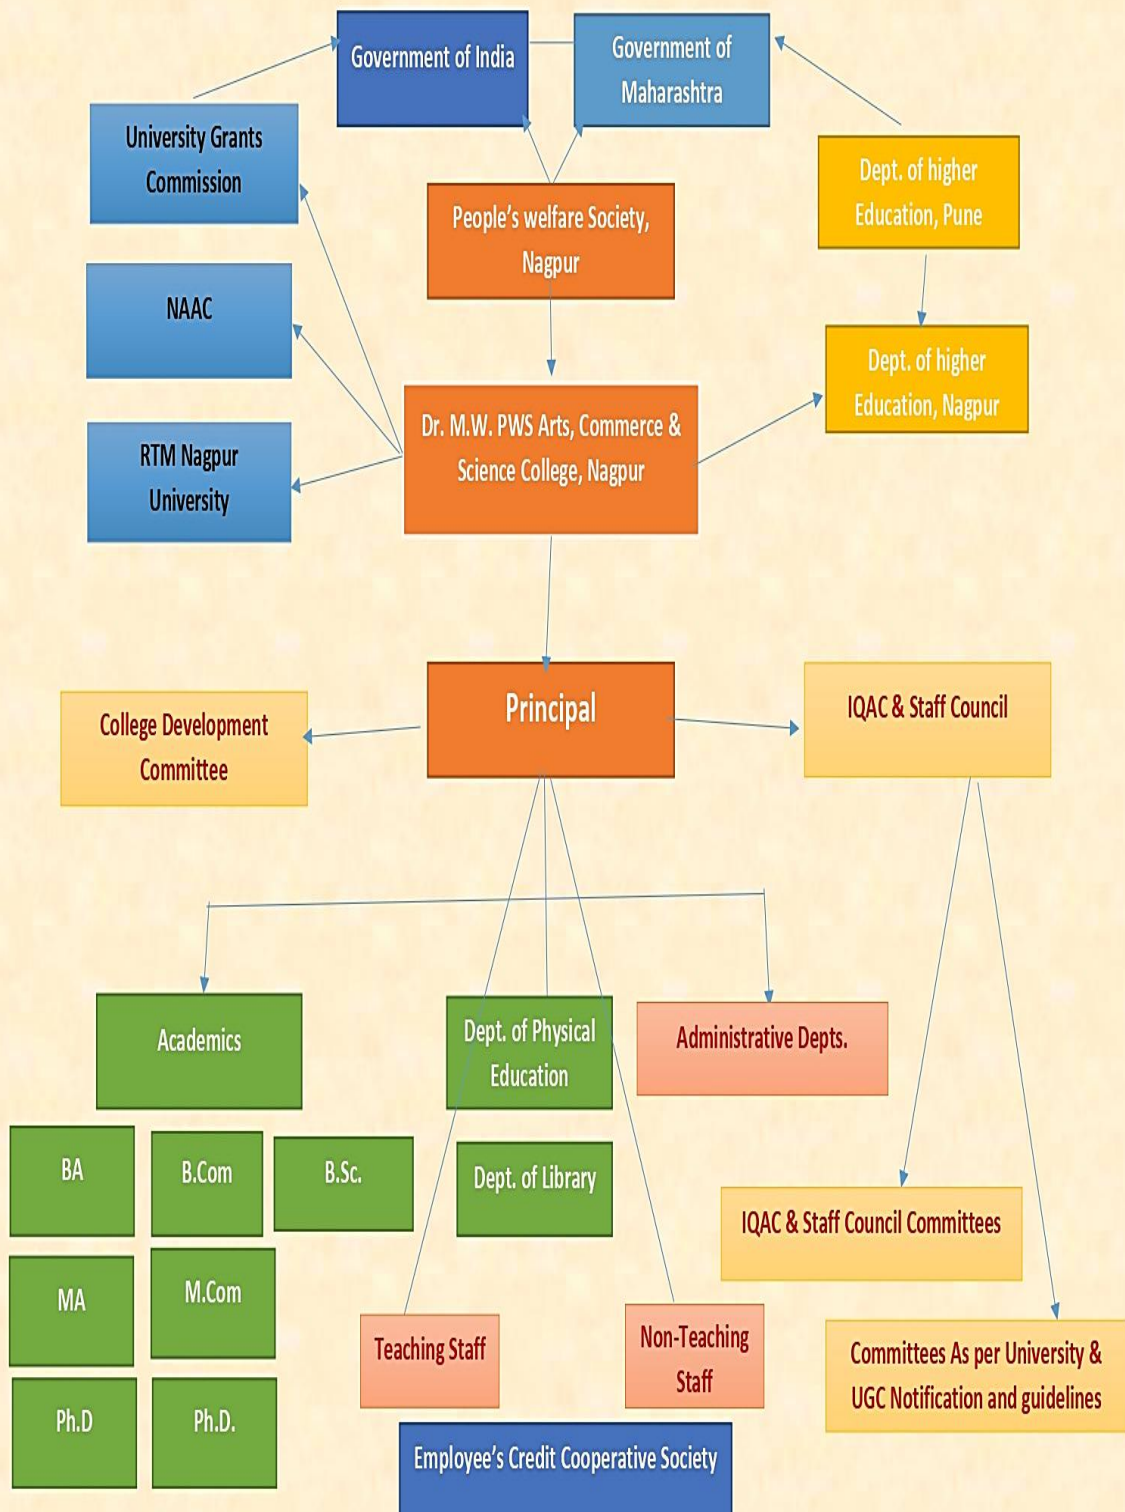

Various bodies under IQAC and Staff Council, Different teaching Departments and its Study Circles, Non-Teaching and Administrative sections are the functional units implements policies decided in the apex bodies. Student representatives from Study circles, NSS and UR are taken on different committees for the democratic decisions and maintaining transparency. Parents and alumni are taken on Vikas Samittee and IQAC to maintain check and balance.

Culture of Participative Management:

In college, decision making is the shared matter and Principal always brings many matters related college development, admin issues, employee related matters, etc. in the Vikas Samitee (College Development Committee) for decision making and approval. Principal, Vice Principal, HoDs, and Admin sections Heads are given autonomy for making decision on their level by considering faculty members.

It's always a matter of practice, for the functioning of the any committee / Unit; its rules and regulations are decided in the staff council or individual committee meetings by inviting Principal and IQAC coordinator of the college. Some committees like Admission committee; Grievance Cell, Feedback cell, Examination Committee, Library Committee, NSS, etc. usually call its meetings time to time for decision making. In the process of decision making and its implementations, Teaching, Non-teaching staff, and students represents in different committees to promote participative culture in the college.

Organogram of Administration of Dr. M.W. P.W.S. Arts, Commerce & Science College, Nagpur

NEP implementation

1. Multidisciplinary / interdisciplinary

Though college is running traditional courses like BA and B.com and recently introduced B.Sc., but college has wider range of subject's sustained institutional growth, offered for students which has multidisciplinary and interdisciplinary approach. B.A. programme has almost ten optional subjects from languages, Literature, Social Sciences and Humanities, in Commerce we have courses from Commerce and Management studies and in B.Sc. College has optional groups in PCM, PCB and Computer science. Apart from these courses most of the departments have introduced Value added Courses, Lecture series based on optional subjects, Guest lecture by experts round the year, workshops and symposiums under MoU and Linkages with the other institutions. Teaching learning in the college though is relied on the syllabus of RTM Nagpur university, but co-curricular activities helped students gained the practical knowledge in the subjects

IQAC and Staff Council of the college have many students' centric committees which look after students' welfare, security, and enhanced skill learning in the campus. Some committees like Employment and placement cell, Women's cell, PDP, Equal Opportunity Cell, Commerce dept., Economics dept. and dept. from social science have already introduced many employability based activities and placement drive for college students. College is all prepare to have introduce some more interdisciplinary and multidisciplinary courses as highlighted in the New Education Policy 2020 to foster enhanced outcome based learning, high employability and entrepreneurship development.

2. Academic bank of credits (ABC):

College is committed to the all-round development of students and internationalization of Higher Education. Since college is running traditional courses like BA, B. Com & BSc. College is bound to promote value added skill based course available through MOOC and SWAYAM platform. College is already promoting SWAYAM course for skill enhancement of teachers and likely to be introduced for students. College has already given a link of Academic bank Credit on its website:

[http://www.pwscollege.edu.in/uploaded_files/Academic_Bank_Credit_\(ABC\).pdf](http://www.pwscollege.edu.in/uploaded_files/Academic_Bank_Credit_(ABC).pdf)

Since our college is affiliated with RTM Nagpur University, Nagpur curriculum is designed by the University. The college is opened to engage students in multidisciplinary online courses by different Indian Universities through SWAYAM like platforms which are based on credit. College is the approved Centre for Higher Learning for PH. D research, scholars are already given direction by RTM Nagpur university to earn 12 credit through courses available online through SWYAM. Therefore, college is preparing itself to run few courses for Ph. D. Scholars which might be open to all. College is planning to register to ABC shortly.

3. Skill development:

College Departments like Economics and Commerce and Committees like Employment and Placement Cell, Equal Opportunity Cell, Proficiency Development Programme (PDP),

Incubation of Women's Self Help group through Women's cell under MoU, Many department has MoU and Linkages with various Industry-Academia based institutions which foster skill based training and create job opportunities. Dept. of Commerce has already organized a workshop for entrepreneurship development in the session. College has organized 12 Value added Course, Three Departments organize Bridge Courses for new entrants, and Syllabus based Online Lecture series”

About the International Workshop and the Concept Note:

June 21 was marked as an International Yoga Day by United Nation General Assembly in 2015 that was supported by 177 countries across the world. 'Yog' is a Sanskrit word for 'union' that is 5000 years old physical, mental, and spiritual practice in India. Today's world which is full of stress, ailments and conflicts needs it even more. The breathing exercises, postures and meditation help reduce the stress level, build immunity, improve lung functions leading to healthy mental and physical life. The observation of this day aims to spread the awareness of the benefits of yoga and to lead a healthier lifestyle.

As the world is going through the adversity of Pandemic Covid-19, 'Yoga' has become the need of the hour. Therefore, this year the theme of the International Yoga Day is "Yoga for well being". Apart from giving physical wellness yoga can help pandemic affected society to overcome the mental ill-health, negativity, stress, depression and fear. World Health Organization (WHO) has also approved the benefits of Yoga.

This international workshop on yoga is also a humble attempt in this drive to spread awareness about the benefits of yoga for the well-being of the world by connecting with the experts of Yoga around the world and providing a common platform for all.

About Registration:

Dr. Madhukarrao Wasnik PWS Arts and Commerce College, Nagpur

All these languages and literature promotes Indian traditions, Art and culture. Social Science subject's viz. Economics, Sociology, Political Science & Sociology syllabuses have ample number of elements from the Indian knowledge system. Besides College has recently introduced Music as the subject which promotes Indian classical music, and dance forms. College continue to promote Indian ethnicity and 'Unity in Diversity' through its different

cultural programmes. Department of Music conducted value added course on Alakar and is planning to organize a value added course on Indian classical music.

5. Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Though College is implementing Curriculum by RTM Nagpur University, have implemented outcome-based education with clearly stated Programme Outcomes, Programme Specific Outcomes and course outcomes through various co-curricular activities. Various departments continuously organizes different Guest lectures, workshops, students seminars, value added courses, field visits, various academic and cultural competitions regularly. Value added course have end examinations essentially to earn the course completion certificate. All these activities enhances the employability chances for the learner. The course outcome has already been stated in the college website. To achieve the OBE, each department prepares their academic activities. Department of social sciences introduced compulsory Students projects which helps students learn field knowledge. In the current session some ten subjects have introduced Students projects. Every departments conduct minimum four tests and various quiz completions and essay competitions help students prepare for the outcome based learning. Programme Outcomes, Programme Specific Outcomes, course outcomes and Attainment of POS and COs are displayed on college Official Website:

http://www.pwscollege.edu.in/uploaded_files/Course_Outcome_UG_&_PG.pdf

http://www.pwscollege.edu.in/uploaded_files/Attainment_of_POs_and_COs_are_evaluat_ed.pdf

http://www.pwscollege.edu.in/uploaded_files/Course_Outcome_PG.pdf

http://www.pwscollege.edu.in/uploaded_files/Ph._D_Programme_Outcome_&_Course_S pecific_Outcome.pdf

6. Distance Education/Online Education:

During Covid 19 lockdown within a month's college came with the solution of teaching through different online platforms like Google Classroom, Webex, Zoom, Skype, Microsoft Team, etc. Besides all teachers have already prepared class wise WhatsApp group to keep touch with the each students. All the admin department were using these groups only to communicate students about, examination form, exam information, scholarships, etc. In the beginning of the session under Lockdown College teachers were trained under "Faculty Development Programme (FD) to use the various online platform for best possible use of online resources. To help students with concrete subject material, college uploaded all the teaching material and notes on the college website. Owing to the problem faced by the students about network failure and many students were unable to join the online classed. Therefore,

college introduces two YouTube Channels, PWS Teachers (Official) and DMWPWS Webinar for the permanent video lectures repository of the college teachers.

Besides college has Distance Education based IGNOU Centre and YCMOU Centre through many short term courses besides the conventional degree programmes are made available to the students. They are encouraged to join these short term skill based courses. Besides college promotes Mooc and Swayam courses to earn academic credits and employability skills.

National Webinar on New Education Policy (2020) organized:

With respect to the adoption of New Education Policy by the Government of India and a process of implementations have already been started at university level. It was the time for college to respond to the same as an implementation bodies. Since New Education Policy brought a massive change in the course and curriculum pattern and structural changes advance from the traditional mindset. College decided to orient the teaching and Admin staff of the college and also all these sojourners who sails in the same boat of the academics around. On the invitation of Joint Director of the Higher Education Dr. Snajay Thakrey, We have decided to Host the webinar on the theme. “National Webinar on New National Education Policy 2020” was organized by IQAC of college on 13/05/2022. We received some 854 registration from across the country for the webinar which was live on Zoom and YouTube. Dr. Avinash Moharil, Principal of Mahila Mahavidyalaya, Amaravati and Dr. Rajashree Vaishnov, Professor of Education in RTM Nagpur University, Nagpur, delivered their address.
