Kamptee Road, Nagpur-26**

6.3.3.1: Total number of teaching and non-teaching staff participating in Faculty development Programmes (FDP), Management Development Programmes (MDPs) Professional development /administrative training programs during the last five years

College teaching staff besides their teaching-learning works in the college, continuously work on updating their subject knowledge through different short term and long term courses. Many teachers are applicable and eligible for the placement in their services so, some courses are mandatory to them like UGC HRDC Orientation programme, Refresher Course, Short term Courses, but as a matter of fact many of the teachers are continuously apply for the courses to gain knowledge and to apply them in the day to day teaching. During Corona Pandemic teachers were quite busy in online webinars and short term courses.

College on the other hand organize various webinars, short term courses and faculty Development Programme where 100% attended the courses. The course attended by the teachers not only enhances the horizon of knowledge for teacher but it helps students in getting updated subject information in a novel and interesting way. To make the subject easier and lucid teacher's creativity is essential. The skills they learn in the professional courses is always help them meticulously apply on their teaching plans in college.

A workshop on *Developing Work Efficiency & Recreation Activities* of Non-teaching Staff on 19th March 2022 Saturday

Non-teaching staff member in college are quietly reduced to a short number due to large number of retirements during last few years. All the remaining staff members are now quite trained and experienced. They occasionally participated in the day long updation of the system works. Therefore, no certificates are received by them for such short training or updating the work system knowledge.

For Non-teaching staff college organized a week long recreation activities to refresh them and to give them important tips to enhance the work efficiency. Different competitive sports and cultural activities were organized and successful staff members were felicitated with certificates and mementos and trophies. The event of the week turnout to be successful as the staff members looks happy and cherish their performances in the sports event.

The workshop on Work efficiency and strss management was organized on the final day where Dr. Mili Baby, HoD AND Professor of Psychology, VNGISS, and Nagpur was invited. All the staff members attended the workshop and solved their queries.
