---	--

National Education Policy 2020 (NEP 2020), outlines the vision of India's new education system. The new policy replaces the previous National Policy on Education, 1986. The policy is a comprehensive framework for elementary education to higher education as well as vocational training in both rural and urban India. The policy aims to transform India's education system by 2021. The main objective of this webinar was to create awareness about the newly launched National Education Policy 2020 amongst teachers, students, officials and other stakeholders in the higher education system.

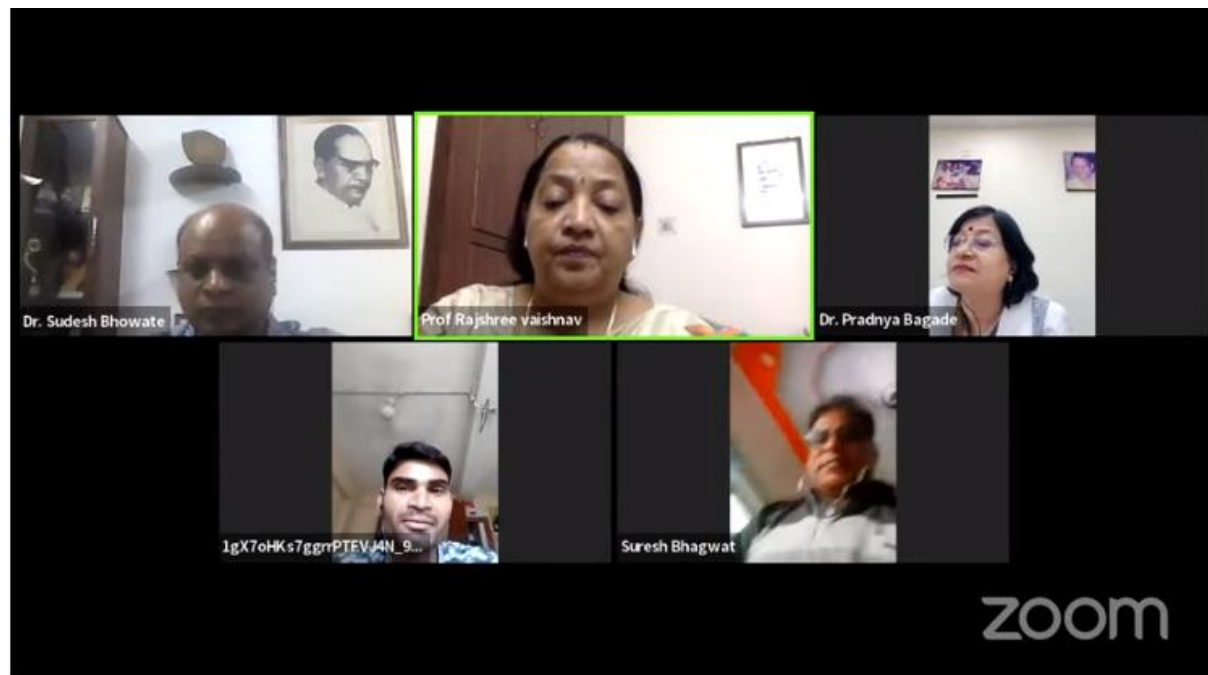

Dr. Sudesh Bhowate, during his address

Internal Quality Assurance Cell organized One Day National Webinar on NEW EDUCATION POLICY 2020 on 13th May 2022 at 10:00am via Zoom. The Webinar started with the inaugural function. The chief guest of the webinar was Dr. Avinash Moharil, Principal, Mahila Mahavidyalaya, Amravati. The guest of honour of the second session was Dr. Rajashree Vaishnov, Professor in Education, Head, PG Dept of Education, Dean, Faculty of Interdisciplinary Studies, RTM Nagpur University. Dr. Sudesh Bhowate, IQAC Coordinator, HOD, of English, was the convener. Dr. Megha Ramteke, Associate Professor of English, began the programme with an introductory speech and welcomed the guests and participants with a short welcome speech. She explained various outcomes of the program by giving a brief outline of the program and requesting all participants to enrich their knowledge from this Webinar by effective participation. The Programme was chaired by Dr. Yeshwant Patil, Principal of DMWPWS, Nagpur.

Dr. Megha Ramteke, welcoming the guests and participants

Dr. Rajashree Vaishnov, giving her presentation on the topic

Being as a resource person, Dr. Rajashree Vaishnov, Professor in Education, Head, PG Dept of Education, Dean, Faculty of Interdisciplinary Studies, RTM Nagpur University, addressed the participants on basic key points in National Education Policy. She started with the vision of NEP to contribute to an equitable and vibrant knowledge policy by providing equity to all. The fundamental concept of NEP was multi entry and multi exit. She also introduced the 10+2 system dropping and 5+3+3+4 system of schools. A glimpse of educational reforms was also weighed by her. She also talked about open minded approach to education, flexibility is to be given, Technical education aspects, features of NEP, Syllabus updating, and optimum learning.

National Education Policy 2020
Synergy in Curriculum across all levels
from ECCE to HE

NE P 2020
Challenges and Opportunity

Prof. Rajashree Vaishnov

The slide features a central image of a diverse group of children in a classroom, some holding small whiteboards with numbers and symbols. To the left is a vertical banner with the text 'NE P 2020 Challenges and Opportunity' and a network diagram. In the top right corner, there is a small video feed of Prof. Rajashree Vaishnov. The bottom of the slide shows a navigation bar with icons for back, forward, and search.

Previous Policies

The implementation of previous policies on education has focused largely on issues of **access and equity**.

The **unfinished agenda** of the National Policy on Education 1986, modified in 1992 (NPE 1986/92), is appropriately dealt with in this Policy.

A major development since the last Policy of 1986/92 has been the **Right of Children to Free and Compulsory Education Act 2009** which laid down **legal underpinnings** for achieving universal elementary education.

NE P 2020
Challenges and Opportunity

Prof. Rajashree Vaishnov

The slide features a central text area with three paragraphs. To the left is a vertical banner with the text 'NE P 2020 Challenges and Opportunity' and a network diagram. In the top right corner, there is a small video feed of Prof. Rajashree Vaishnov. The bottom of the slide shows a navigation bar with icons for back, forward, and search.

Learning plan

A look at the key features of the new education policy:

- Public spending on education by States, Centre to be raised to 6% of GDP
- Ministry of Human Resource Development to be renamed Ministry of Education
- Separate technology unit to develop digital education resources

SCHOOL EDUCATION

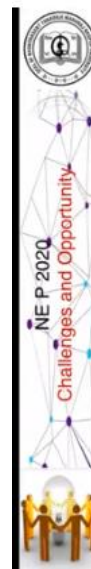

- Universalsation from age: Class 10 by 2030
- Mission to ensure literacy and numeracy skills by 2025
- Mother tongue as medium of instruction till Class 5 wherever possible
- New curriculum to include 21st century skills like coding and vocational integration from Class 6
- Board exams to be easier, redesigned

HIGHER EDUCATION

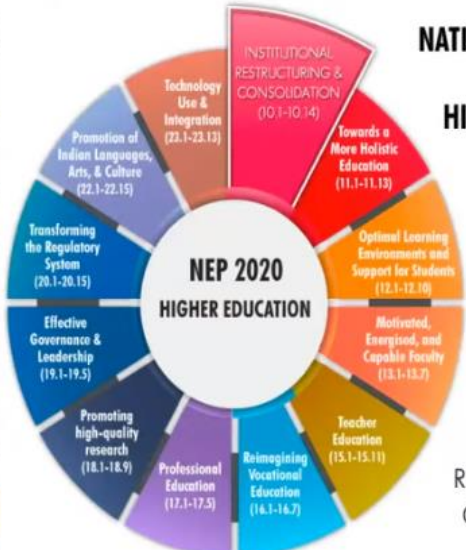

- New umbrella regulator for all higher education except medical, legal courses
- Flexible, holistic, multi-disciplinary UG degrees of 3-4 years' duration
- 1 to 2 year PG programmes, no M.Phil
- College affiliation system to be phased out in 15 years

The Second Session was conducted by Dr. Avinash Moharil, Principal, Mahila Mahavidyalaya, Amravati. He substantial impetus placed on vocational education or hands-on learning in the new policy will give rise to multiple hybrid jobs. With the rapid progression of information technology, and to be able to offer the students a much broader, multidisciplinary foundation, he expressed the importance of using a holistic and multidisciplinary learning approach which will help the learners adapt and reinvent themselves to the demands of the new hybrid work culture and dynamic socio-cultural changes. Session ended successfully with a lot of knowledge sharing and gaining. He gave a wonderful detailing of present status that will surely

help us to connect with NEP 2020. One can easily get knowledge about the changes and reforms in technical education, it is the need of the hour to open our minds to excellence. He explained that assessment, evaluation and research will be readily helpful if implemented very soon through NEP 2020.

Dr. Avinash Moharil, giving the outline of the topic

Dr. Yeshwant Patil, Interacting with the participants

The chair person, Dr. Yeshwant Patil, addressed the gathering and highlighted the National Educational Technology Forum which provides independent evidence-based advice, builds institutional and intellectual capacities, envisions strategic thrust, articulate new directions, and also research. He

Dr. Narendra Bagde, expressing his views

Dr. Narendra Bagde, Vice Pricipal, DMWPWS, shared the vision for Higher Education in India-2020 with a famous main elements i.e. Students enrolling in the Higher Education System Holistic and Multidisciplinary Education and Educational Technology, and Online Education. He also shed light on the current state of the Learning Crisis, which gave way to the creation of this new structure i.e. it replaces the 10+2 with 4+3+3+2+3.

Dr. Megha Ramteke, proposing vote of thanks

The valedictory function began with concluding remarks by Dr. Sudesh Bhowate, IQAC, coordinator. The vote of thanks was delivered by Dr. Megha Ramteke, Associate Professor of English. She gave insights regarding IQAC Cell and thanked all the experts and participants for their valuable time. There was wonderful feedback received from the participants. The coordinator of Webinar expressed sincere thanks to the Management, Principal Sir, Head of the Departments, Faculty Members, Technical Team and all the participants for their support to make the Webinar a grand Success.
