It gives me immense pleasure to share you that our Dr. Madhukarrao Wasnik P.W.S Arts and commerce college has celebrated 58 years of its foundation and glorious academic journey in 2018-2019. It is one of the oldest colleges affiliated to R.T.M.Nagpur university in the central India. Dr. Madhukarrao Wasnik, being a renowned social worker, politician, academician and a medical practitioner inspired by the great seer,sire and saviour, Dr. B.R. Ambedkar and Lord Buddha feeling the acute need of education for the poor and backward classes established People's Welfare Education Society in 1967. He laid the foundation of P.W.S. Arts and Commerce college in the North region of the city in 1968 as there were no higher educational facilities available to the poor and backward students living in this area.

Education is an effective source of development and positive social change. Higher Education can bring a drastic change in human society leading to the betterment of the masses. The life of Dr. B.R. Ambedkar is exemplary that education and social upliftment has a strong kinship. The students of the North Nagpur who studied in our college are now working as Administrators, Politicians, Performing Artists, Social workers, Corporate Executives, skilled Managers and Entrepreneurs in the different cities of nation and abroad. These well placed alumni are our real asset and great achievement of the college as institution.
